

## Idiotarian No Longer

Two of the participants in [this discussion on Rantburg](#) suggest that there is room for *both* terms 'idiotarian' and 'villepinist', because they have slightly different shades of meaning. Even though they do not seem to agree on what the distinction is, they may have a point. Maybe a distinction will evolve.

Anyway, these [Confessions of an Anti-Sanctions Activist](#) (via [Elegance Against Ignorance](#)) are a must-read for anyone who is interested in the nature of the phenomenon, under any name.
