

Telling The Truth About The Middle East

Go and read [Solomonias's transcription](#) [scroll down a little: it's near the top] of a speech by Charles Jacobs at the recent Boston For Israel Rally.

“The distortion is so great I fear many people in Boston cannot see that bus. And I'm afraid that if we filled up this Plaza with buses and pizza parlors, and Passover celebrations and family cars with pregnant wives and little children . all with murdered Jews, many in Boston could not see it. They would dismiss the murder. More than a few would want to blame the Jews.

And so it's time for us to learn how to simply and powerfully to tell the truth.”

Read the whole thing. And the rest of the report is very interesting too.
