We just took a Latin exam in a computer lab so i am on the computer and really bored!Me and my friend Melissa are so bored and talking about how badly we failed the Eaxam;;; so were freaking out. Yeah;; we are the straight A students that probably got a B on the exam. ;) We are nerds! I hate that fact that when you type in "bored in school" in google; everything that comes up is blocked. At least this isnt ;) so how is everybody?
