OMG im a tipical 13 yo gurl frm a tipical small skool and im BORED!! im always tired b/c they pound crap into our heads w/ hammers and nails then glue us back together! if they would do more visual things, i would learn more and we would have more fun! skool shuld b fun...were kids!! theres only 1 time u get to b a kid and there wasting it on crappin skool!!

i play sports ok? i wake up @ 630...go to skool till 4....@ 430 i have bball practice or cheerleading practice or track practice or cross country training or games or tennis practice or other crap like that! sumtimes i dont get home till almost midnight frm crap and then on top of that i still have all the boring crappin hw that all the teachers pile on till were drownin in it and crap so then im up till like 1 or 2!!then sumtimes on test nites i have to pull allnighters!! and im pretty smart, and crap but not a nerd.... but im always tired frm staying up so late!!! then every other day i have quizzes and pop tests and vocabulary in 2 classes and then i have history and all the other crap everyone else has cept im glad this year i dont have to take frickin spanish!!!!

gah teachers should give us less hw or just fun hw!! i heard of a teacher one time that gave VIEDEO GAMES 4 hw!! i wish more teachers were like that!!!! im getting a headache frm all this crap.

You're at school from 6:30 till 4? Extracurricular activities are good but it sounds like you have too many things going on, no wonder you're tired. I would drop a few of them.
